

# VOLUNTEER MONTH SCHEDULE & E-PASSPORT

**Location:**  
**Outdoors, GCC Main Central Mall**

How the E-Passport works:

Every time you participate and complete a volunteer project, you can scan a unique QR code (or url), which will be present at each event, to fill out a short survey that serves as an e-passport 'stamp'. There are some exciting prizes, so the more you volunteer (and complete the e-passport) the more chances you have to win!

Students: If you are a GCC student, each time you participate and fill out the e-passport 'stamp', you will be entered to win random prize drawings throughout the month of April. Remember, the more you participate in the mini-volunteer projects, the more likely you are to win a prize!

Prizes include: A brand new iPad, Sonos Era 100 Speaker, Air Fryer, and more!

Extra Credit: If you are a student receiving extra credit for participation, the e-passport will also serve as the location to include the name of the instructor and course you are receiving extra credit for. This information will then be provided to your instructor.

**GLENDALE  
COMMUNITY COLLEGE**
